

VIRGINIA ENERGY RESOURCES INC.

**INFORMATION CIRCULAR
FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON WEDNESDAY, JUNE 29, 2022
AT 10:00 AM (PACIFIC TIME)**

This information is given as of May 27, 2022 unless otherwise noted.

SOLICITATION OF PROXIES

This Information Circular (this "Circular") is furnished in connection with the solicitation of proxies by the management of **VIRGINIA ENERGY RESOURCES INC.** hereinafter referred to as (the "Company") to be voted at the Annual General Meeting (the "Meeting") of the shareholders of the Company, to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed form of proxy is solicited by Management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the form of proxy. The cost of solicitation will be borne by the Company.

VOTING

In light of the rapidly changing public health guidelines related to the COVID-19 pandemic, the Company is asking shareholders to consider voting their shares by proxy to ensure that their vote is counted in the event that they become unable to attend due to illness or due to new public health guidelines.

APPOINTMENT OF PROXYHOLDER

A duly completed form of proxy will appoint the person(s) named in the enclosed form of proxy as the proxyholder for the shareholder ("Registered Shareholder"). The persons whose names are printed on the enclosed form of proxy for the Meeting are officers or directors of the Company (the "Management Proxyholders").

A Registered Shareholder has the right to appoint a person other than a Management Proxyholder to represent the Registered Shareholder at the Meeting by striking out the names of the Management Proxyholders and inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Registered Shareholder.

VOTING BY PROXY

Common shares of the Company (the "Shares") represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and if the Registered Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a Registered Shareholder as proxyholder, such person will vote in favour of each matter identified in the Notice of Meeting.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, Management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Proxies completed as per the voting details and instructions on the form of proxy must be received by 10:00 a.m. (Pacific time) on Monday, June 27, 2022, or not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting if the Meeting is adjourned or postponed, unless the Chairman of the Meeting elects to exercise his discretion to waive the time limit for deposit of proxies and accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares, or their clearing agency. More particularly, a person is not a Registered Shareholder in respect of Shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBOs”.

The Company takes advantage of certain provisions of National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), which permit the Company to deliver proxy-related materials indirectly to NOBOs who have not waived the right to receive them.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting materials to each OBO, unless the OBO has waived the right to receive them.

Meeting materials sent to Non-Registered Holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

These proxy related materials are being sent to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company has sent these proxy related materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not your Intermediary) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

REVOCABILITY OF PROXY

Any Registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Company at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting. **Only Registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for the Company or their respective Intermediary, as the case may be, to revoke the proxy on their behalf.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company at any time since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, save and except for the setting of the number of and election of directors and those matters pertaining to incentive stock options.

Management of the Company has been informed that, if elected, each of such nominees would be willing to serve as a director. However, in the event any proposed nominee advises that he is unable or unwilling to act for any reason prior to the Meeting, proxies held by the persons designated as proxyholders on the form of proxy will vote (in the absence of specifications or instructions in the form of proxy that the Shares represented by the proxy are to be withheld from voting on the election of directors) for the election of the remaining nominees.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Board is responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations with respect to the compensation of the Company's executive officers. The Board ensures that total compensation paid to its NEOs (defined below) is fair and reasonable and is consistent with the Company's compensation philosophy.

Compensation payable is determined by considering compensation paid for directors and CEOs of companies of similar size and stage of development in the mining exploration industry and determining an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company.

Summary Compensation Table

For the purposes of this Circular, "executive officer" of the Company means an individual who at any time during the year was the Chair or a Vice-Chair of the Company; the President; any Vice-President in charge of a principal business unit, division or function including sales, finance or production; and any officer of the Company or of a subsidiary of the Company or any other individual who performed a policy-making function in respect of the Company.

The summary compensation table below discloses compensation paid to the following individuals:

- (a) the chief executive officer ("CEO") of the Company;

- (b) the chief financial officer (“CFO”) of the Company;
- (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity (each, a “Named Executive Officer” or “NEO”), other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

The Company currently has three Named Executive Officers, being Walter Coles, Sr., its President and Chief Executive Officer, Andrew MacRitchie, its Chief Financial Officer and Walter Coles, Jr., its Vice-President, Corporate Development.

For each NEO, executive officer and director, the following table contains a summary of the compensation paid to him/her for each of the Company’s two most recently completed financial years.

The Company calculates the fair value of stock options on the date of granting in the ‘Option Based Awards’ column using the Black-Scholes option pricing model, a mathematical valuation model that ascribes a value to a stock option based on a number of variables, including the exercise price of the options, the market price of the underlying Shares on the date the option was granted, the term of the option and assumptions with respect to the volatility of the price of the underlying Share and the risk-free rate of return. The Company used this model because it is the methodology recommended by the Canadian Institute of Chartered Accountants in its Handbook for valuing securities based compensation and, in line with that recommendation, is the methodology used by the Company, and most Canadian publicly traded companies, in valuing and reporting stock options in its financial statements.

Incentive Plan Awards – Value Vested or Earned During the Year

The Company granted 1,850,000 stock options on May 25, 2020, exercisable at CAD\$0.09 until May 25, 2025.

During the financial year ended December 31, 2021, no incentive stock options were exercised by directors or named executive officers.

Pension Plan Benefits

The Company does not have any pension or retirement plan.

Termination and Change of Control Benefits

The Company has no compensatory contract, agreement, plan or arrangement whereby any Named Executive Officer may be compensated in the event of that officer's resignation, retirement or other termination of employment, or in the event of a change of control of the Company or a subsidiary or a change in the Named Executive Officer's responsibilities following such a change of control.

Directors' Compensation

No cash compensation was paid to any director of the Company for the director's services as a director during the financial year ended December 31, 2021. We have no standard arrangement pursuant to which directors are compensated for their services in their capacity as directors except for the granting, from time to time, of Options in accordance with the Company's Stock Option Plan and the policies of the Exchange. Directors who are also officers of the Company do not receive any additional remuneration for their services in their capacity as directors.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Stock Option Plan

The Exchange policies with respect to incentive stock options provide that listed companies may only issue incentive stock options pursuant to the terms of a stock option plan that has been approved by the shareholders of the Company and the Exchange. At the shareholder meeting of the company previously named Virginia Energy Resources Inc. (now Anthem) held on August 20, 2012, among other things, in connection with the Arrangement, pursuant to the policies, management proposed and the shareholders of Anthem approved the Stock Option Plan, a rolling stock option plan which reserves a maximum of 10% of the issued Shares of the Company on the applicable grant date for grant of Options under the plan. The policies require that such a rolling plan be re-approved each year by the shareholders and the Exchange.

Management of the Company believes that Options serve an important function in furnishing directors, officers, employees and consultants (collectively the "Eligible Parties") of the Company an opportunity to invest in the Company in a simple and effective manner and to better align the interests of the Eligible Parties with those of the Company and its shareholders through ownership of Shares in the Company. Accordingly, at the Meeting the shareholders will be asked to consider re-approving the Stock Option Plan and the allotment and reservation of sufficient Shares from treasury to provide the Shares necessary for issuance upon the exercise from time to time of Options granted pursuant to the Stock Option Plan.

The Stock Option Plan has been prepared by the Company in accordance with the policies of the Exchange and is in the form of a rolling stock option plan reserving for issuance upon the exercise of Options granted pursuant to the Stock Option Plan a maximum of 10% of the issued and outstanding Shares of the Company at any time, less any Shares required to be reserved with respect to Options granted by the Company prior to the implementation of the Stock Option Plan. The Stock Option Plan is administered at the Board level. Subject to the provisions of the Stock Option Plan, the Board in its sole discretion will determine all Options to be granted pursuant to the Stock Option Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The Board will comply with all Exchange and other regulatory requirements in granting Options and otherwise administering the Stock Option Plan. A summary of some of the additional provisions of the Stock Option Plan follows:

- (i) Options granted to insiders of the Company as a total in any twelve-month period shall not exceed 10% of the issued and outstanding Shares of the Company;
- (ii) Options granted to any one person as a total in any twelve-month period shall not exceed 5% of the issued and outstanding Shares of the Company;
- (iii) Options granted to any one Consultant to the Company as a total in any twelve-month period shall not exceed 2% of the issued and outstanding Shares of the Company;
- (iv) Options granted to all employees, consultants and their associates engaged in investor relations activities for the Company in aggregate in any twelve-month period shall not exceed 2% of the issued and outstanding Shares of the Company;

- (v) Options granted shall be non-assignable and not transferable and shall not have a term in excess of five years;
- (vi) the exercise price of Options granted shall not be less than the closing price of the Company's Shares on the last trading day less any discount permitted by the Exchange, but, in any event, not less than the minimum price permitted by the Exchange;
- (vii) all Options granted shall be evidenced by written option agreements; and
- (viii) any amendment to reduce the exercise price of Options granted to insiders of the Company shall be subject to approval of the disinterested shareholders of the Company, the majority vote of the shareholders other than the insiders of the Company.

A copy of the Stock Option Plan will be available at the Meeting for review by interested shareholders. The directors of the Company believe the Stock Option Plan is in the Company's best interests and recommend that the shareholders re-approve it.

Equity Compensation Plan Information

The following table sets forth details of the Company's compensation plans under which equity securities of the Company are authorized for issuance as of the end of the Company's most recently completed financial year ending December 31, 2021:

Plan Category	(a)	(b)	(c)

Equity compensation plans not approved by securityholders	N/A	N/A	N/A
TOTAL	5,615,000	\$0.13	775,561

The rolling stock option feature reserves a maximum of 10% of the issued Shares of the Company on the applicable grant date for grant of Options under the plan.

Additionally, no individual who is, or at any time during the Company last financial year was, a director or executive officer of the Company, proposed nominee for director of the Company or associate of any such director, executive officer or proposed nominee is, or at any time since the beginning of the Company last financial year has been, indebted to the Company or any of its subsidiaries or to another entity where the indebtedness to such other entity is, or at any time since the beginning of the Company's last financial year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries, including indebtedness for security purchase or any other programs.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board. A summary of the responsibilities and activities and the membership of each of the Committees are set out below. National Instrument 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below. The Board is committed to sound corporate governance practices in the interest of its shareholders and believes such practices contribute to effective and efficient decision making. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses.

Board of Directors

The Company's proposed Board consists of four directors, two of whom are independent based upon the tests for independence set forth in National Instrument 52-110 – *Audit Committees* ("NI 51-110"). Harold Roberts and Joseph Kiely are considered independent. Walter Coles, Sr. is not independent as he is the Chairman, President and CEO of the Company. Neal Keesee is not independent as he is the Corporate Secretary of the Company and provides corporate legal services.

Ethical Business Conduct

The Board believes good corporate governance is an integral component to the success of the Company and to meet responsibilities to shareholders.

Nomination of Directors

The Board has responsibility for identifying and assessing potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

Compensation

The Company's Corporate Governance, Compensation and Nominating Committee will determine the compensation of the Company's directors and officers. Compensation payable is determined by considering compensation paid for directors and CEOs of companies of similar size and stage of development in the mining exploration industry and determining an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting his compensation, the performance of the CEO is reviewed in light of the Company's objectives and other factors that may have impacted the success of the Company. The CEO does not participate in Board discussions relating to his own compensation.

The Company's Stock Option Plan is administered by the Corporate Governance, Compensation and Nominating Committee, and in its sole discretion will determine all Options to be granted pursuant to the Stock Option Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. For more particulars, see "Securities Authorized for Issuance Under Equity Compensation Plans" herein.

Other Board Committees

The Board has no other committees other than the Audit and the Corporate Governance, Compensation and Nominating Committees.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal periodic assessments of the effectiveness of the Board and the individual directors.

Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to (i) serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements; (ii) review and appraise the performance of the Company's external auditors; and (iii) provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.
